Description

Apartments have an average area of 65 m2 distributed in 2 bedrooms and 2 bathrooms with shower made of natural stone.

You will enjoy the light-filled atmosphere with enviable views. It is believed that the design of the apartments maximises space and light through the open and outer space. The living room has direct access to the main terrace. Most of them have terraces and some rooms have direct access to private terraces.

The apartments are delivered with high quality finishes, including sleek paint and double glazed Windows for perfect sound and heat insulation and

among them is acoustic insulation. What brings peace and intimate space. In addition, you can customize the finishing of your home during the construction process (color on the walls, in the kitchen, etc.).

The kitchen is equipped with furniture, including a hob, oven and extractor fan. Also make bathrooms with shower door and rain shower. The apartments have reinforced door, fitted wardrobes with sliding doors and shelves. Motorized blinds in the living room, pre installation of air conditioning and dishwasher. Always safe and comfortable.

The wide terrace overlooking the sea, the beach or even the peñón de Ifach, an area of 88 m2. You will be able to enjoy the surroundings and sun 300 days a year or more, that can offer the Costa Blanca. You will discover a beautiful urbanization with gardens, communal pool for adults and children and a children's Playground with outdoor games. The roof is a unique place for relaxation: relaxation area with Jacuzzi and a gazebo with climbing plants, offering stunning views of the sea and the peñón de Ifach.
