Description

This object, which will be sold very quickly, well miss it!

The ratio quality /price and possibilities of earnings and the rest are just awesome!

Excellent location, although not on the first line, but not on the second, and the beach is only 30m, and even on a busy street in transition, the road to the beach bus stop.

3 floors with high quality finishes and proper layout.

The business fully operational and profitable, sold in connection with the death of one of the owners.

You can use just like your house by the sea and a private restaurant.

You can take into a restaurant or pizzeria, and live in the 2-3 floor.

And it is possible to conduct a hotel and restaurant business on the coast.

Detailed description:

- On the ground floor is a standalone restaurant, fully equipped, professional kitchen equipment. The restaurant is a separate entrance from the street. There is a big track for the outside tables around the perimeter of the house.
- 2 and 3 floors, with a separate entrance to the hotel. Each floor has 5 rooms, a total of 10 rooms.
- The rooms are done in a hotel style: bedroom + bathroom. In the bedroom 2, bedroom 3 beds (single and double) and a bathroom with a bath or shower.
- All rooms are furnished. Quality supply, storage and water filtration. Central heating.
- On the roof of the great trail. It is possible to build several more floors.
- You can easily increase the number of bed spaces, if done from a classic hostel with two bunk beds.
- In season from June to September, free places just does not happen.

DON'T MISS SUCH A RARE CHANCE.
