Description

Benidorm is one of the few resort towns, in which the occupancy rate of hotels even in winter because of the mild Mediterranean climate, prevailing in the area, the winter temperature does not fall below 16 degrees, and in summer not above 33 degrees.

The hotel is located in the historic centre of Benidorm and located between 3 beaches. The hotel has undergone a major refurbishment and currently offers 400 m2, 10 apartments, 8 of which are standard (bedroom+salon) and 2 studios.

Located just 85 meters from the beach. Large pedestrian area, a wide range of leisure and entertainment.
